Founded in 1985 to improve the lives of the hearing impaired, the International Hearing Foundation (IHF) is an affiliate of the University of Minnesota Foundation, a 501(c)3 non-profit charitable organization.

The 26th Annual IHF Golf Classic is the major fundraising event for IHF supporting our mission to increase public awareness of hearing, speech and language impairments, including education and research programs.

Funds raised at the event will support the ongoing research at U of M Otopathology lab - IHF's free hearing clinic, which provides testing and hearing aids to children in need throughout the Twin Cities area, and provides advanced education to physicians as well as medical supplies to some of the world's neediest countries.

Please join us on Monday, August 13th, for an exciting day of golf at Crystal Lake Golf Club in Lakeville.

If just one person's life is improved by your support of our hearing programs, you have made a difference in this world.
